| 1/7/06                  | 1.20am            | 2.15am          | Flat 98                                 | Extremely loud music, shouting, banging                                | Called police                             | Family couldn't sleep                            |

If the nuisance continues after your initial complaint it is very helpful to keep a record of incidents. If possible you should fill in the log immediately after each incident.

Please return the log to your Neighbourhood team and they will discuss with you the best course of action for the problems you describe.
